I would like to offer a hearty and enthusiastic recommendation for ParishMission.org, which conducted a Parish Mission here at Our Lady of Grace Parish in the fall of 2008.

Our mission presenter, Vince Ambrosetti, used a wonderful blend of story, song, and Scripture to help us celebrate our shared faith in Jesus Christ and to grow in that faith.

The mission was a very family-friendly experience, enabling everyone to be a participant, not simply a spectator. Vince worked with parish staff, music ministers, and clergy to involve them in the most effective possible way.

The approach was innovative but always respectful of Catholic tradition and of the culture of the parish and the direction of parish leadership.

I found the Parish Mission conducted by ParishMission.org to be a very positive, uplifting, and faith-filled experience and many parishioners are in wholehearted agreement with me.

If you're looking for a great Parish Mission program, I encourage you to consider ParishMission.org.

Sincerely yours in Christ,

Rev. Thomas H. Metzger
Pastor
